How many grant funded homes you'll deliver

Using modern methods of construction

Tell us the expected number of MMC homes you'll build in each category.
25% of the total number of homes you build must use MMC.

Check the [Capital Funding Guide](#) for more information about MMC categories.

Number of homes in categories 1 and 2 and other categories with pre-manufactured value over 55%

Number of homes in categories 3, 4 and 5 with a pre-manufacture value of less than 55%

Number of homes in category 6, 7 with a pre-manufactured value of less than 55%
